## **HB 1220 - SB 1393**

March 21, 2003

**SUMMARY OF BILL:** Requires a local government, which maintains a regular police department to make monthly deductions of membership dues for an employee association at the written request of an employee of such department. Specifies this requirement only applies if the association's membership is not less than 40% of the local government's employees that are eligible for membership in such association.

### **ESTIMATED FISCAL IMPACT:**

#### **Increase Local Govt. Expenditures - Not Significant**

Many local governments already make such deductions on behalf of their eligible employees. This estimate assumes local governments not currently making such deductions could do so within their existing resources.
